*If you have submitted and paid you will receive an email soon and your entry cannot be accepted until the corrections are made.*

### **Treatment Sheets**

At any SHC Official Show where Drug Testing is carried out, a SHC Treatment Sheet is required to be lodged (as per requirements of the Competition Rules & Show Rules) for any horse that has been administered any Treatment, Foreign Substance, Medication, Drug, Prohibited or Banned Substance, within **30** days prior to and/or on the day of competition. The onus is on the Responsible Officer/Owner/Competitor/Exhibitor to lodge a Treatment Sheet for any horse he/she has entered/ competed in any Official Show &/or SHC event where Drug Testing is to be carried out. Lodging of a Treatment Sheet Form does not release an Exhibit from being Drug Tested, nor from Disciplinary Action by the SHC should a positive result to a Prohibited or Banned substance occur. Forms **must** be lodged with the event Secretary ASAP after treatment has been sort or **no later than 7am** on the day of competition.

Treatment Sheets are available from the SHCV & SHCA websites.

### THANK YOU

The SHCV Committee would like to send out a HUGE THANK YOU to all of the exhibitors and sponsors who have supported our recent SHCV events..

We managed to pull off 3 great events in October and November and this would not be possible without the continued support of our Members.

Thank you to everyone who followed the directions of our Ringmaster, Ring Stewards, Announcer and volunteers to ensure the smooth running of all events.

Without your co-operation and understanding we would not be able to finish off 2018 on such a high.

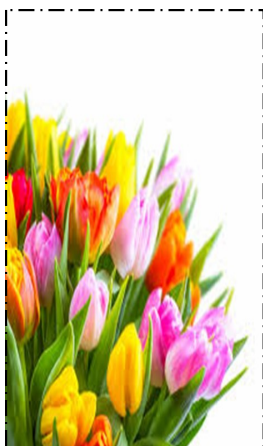

It is with great pleasure that the SHCA announces the appointment of Samantha Watt as the Event Coordinator of the 2019 SHCA Grand National Saddle Horse and Rider Championships. Sam, a professional project manager, brings with her transferable skills and a level of professionalism, enthusiasm and 'value add' that we know will help us deliver a fantastic event in 2019. Please make Sam feel welcome as she begins the huge task of working with multiple stakeholders.

Sam can be contacted on: [events@shca.org.au](mailto:events@shca.org.au)

The SHCA would like to thank everyone who expressed an interest in this demanding role. We look forward to seeing you all at the 2019 Grand Nationals.

Regards,

Tony Norris—SHCA President

### YOUNG HORSE CLASSES ONWARD

**Discussion on the future of the Young Horse classes took place at the September SHCA Meeting. It was the general feeling from the majority of States that these classes have not generally been well supported, which was disappointing.**

**With 18 classes needing to be included not only at State events but also the Grand Nationals, time restraints also proved a problem.**

**A motion was moved and carried that Young Horse classes will not continue as Grand National Qualifying classes from**

## Show Horse Council of Victoria, Home-Produced Awards

The SHCV has introduced an opportunity to recognise home-produced horses exhibited by non-professional horse owners and riders. For the purpose of confirming who is eligible to nominate for these awards, we have defined what is considered a home-produced horse. This definition has been provided for this purpose only and should not be read in conjunction with any other document.

To be eligible for the SHCV Home-Produced Awards, the horse and rider combination must satisfy the Horse Rules and the Non-Professional Horse Owner and Rider rules:

### Horse Rules

For a horse to be eligible for the Home-Produced awards,

- the horse is ridden by a non-professional

- the horse has either been stabled at home or in a 'do it yourself' stable complex for the previous 12 months

- the horse has not been stabled in a professional stable complex at any time during the previous 12 months

- the horse has not been shown or ridden or led at any Show Horse competition by a professional during the previous 12 months.

Example: To be eligible, a horse cannot be led in a Leading Rein class at a Show Horse competition by a professional during the previous 12 months

Show Horse competitions include, but are not limited to:

- Show Horse Council of Australasia Grand National Championships and qualifying events

- Royal Shows

- Agricultural Shows

- Equestrian Australia affiliated shows

The 12-month period excludes a horse that has been bought from a professional or professional stable complex and re-registered with a new non-professional owner who has had the horse less than 12 months.

During the course of competition at which a nominated exhibit is competing, a professional is not permitted to ride or work the exhibit at any time

Example: To remain eligible, a horse competing on Day 2 at the SHCV HOTY cannot be ridden by a professional at any time for the duration of the show.

The rider of the horse need not be the owner of the horse

### 2. Professional Horse Owner and Rider Rules

For a horse to be eligible for these awards, the owner of the horse and the rider of the horse in the previous 12 months must not:

- own or manage a stable complex where any person pays a fee to stable a horse

- buy, sell, deal or hire horses in a commercial capacity

- receive financial remuneration for employment in connection with showing of horses, a professional stable complex or riding school (instruction at Pony Club and Adult Riding Club excepted).

This includes receiving financial remuneration for riding a horse at a Show Horse competition. A small gift is not considered remuneration.

Example: For the purposes of these Awards, a person who received a financial remuneration to ride a horse at an agricultural show in the previous 12 months is deemed a professional.

Example: For the purposes of these Awards, a person who received a gift of a browband to ride a horse at an agricultural show in the previous 12 months is not deemed a professional

This rule does not include remuneration paid to the suppliers of ancillary services such as farriers and vets.

Owned/part owned an equestrian establishment including but not limited to riding schools, events centres, stud or professional stable complex, in any capacity, or receive any form of remuneration for employment at an equestrian establishment. For avoidance of doubt for the purpose of this rule, immediate family members of an owner or part owner of equestrian establishment who work or are howsoever otherwise engaged or involved in any capacity, whether or not for remuneration at the equestrian establishment, will be treated as being an owner or part owner of that equestrian establishment

Shown a horse owned or sponsored by a company or commercial firm, in ANY showing classes, SHC or otherwise. A small gift is not considered sponsorship.

These rules do not exclude a horse owner or rider having lessons at any time with an instructor, providing the horse remains stabled at home or in a 'do it yourself' stable complex

## **SHC Database**

The Show Horse Council database is now well and truly in use. Many of you will have used the database recently to complete entries for Grand Nationals, All States Showdown, Classic, Horse of the Year etc. It is vital that your details in the database are 100% correct so please ensure you complete your Membership Form with ALL the required details.

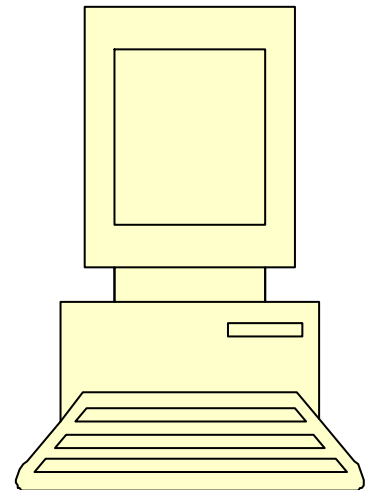

**If your details change throughout the year please notify us ASAP.**

It should be noted that the on-line SHC entry system does not allow pending registrations to be entered, so please keep this in mind when planning your show entries. Likewise you will not be able to process entries if your SHCV Membership is not listed as current.

All entries for SHCV Shows must now be lodged via the SHC database. The link for the database is on the SHCA & SHCV website and as entries for our events are opened we will advise members via text message or Facebook.

## **COMMUNICATION:**

*The SHCV communicates using many methods. It is vital that we communicate accurate information to our members on time and effectively. To help us achieve this we ask that you contact us should you change your postal address or your telephone number. If you are not receiving emails or text messages please let us know via email. Email us at: [admin@shcv.com.au](mailto:admin@shcv.com.au) or contact the Executive Officer  
M: 0488 791 060*

## **MEMBERSHIPS**

Remember that now all SHC event entries are completed via the SHC Database. Your Membership **MUST** be current at all times. Membership **MUST** also be current to register a horse or to be on the SHCV Judges Panel.

All Active Senior & Junior Riding Memberships include 24/7 Insurance Cover as part of the membership.

A parent or legal guardian (court appointed) of a Junior Active Member **MUST** be a minimum Non Rider Member to sign paperwork and be the responsible officer for their child.
